Vaccines
All pets must be up to date on required vaccinations prior to their boarding stay. If Badger Veterinary Hospital is not your current veterinarian, we require medical records with proof of all required vaccines. Please provide proof of vaccines from your veterinarian within 48 hours of making your pet's reservation. These records can be faxed, emailed, or dropped off in a hard copy form. Until proof is provided, we reserve the right to bump your reservation in favor of another pet

Flea & Tick Preventative

To prevent the spread of internal and external parasites, all pets are required to be on a flea and tick preventative year-round. If your pet is found to have fleas or ticks while in our care, they will be treated at your expense.

Initial	

Charges

Check-in and check-out times are only allowed during the allotted times. Charges are based on these specific times. Payment is required at time of check-in for all standard boarding charges. A credit card will be kept on file, and any charges accumulated during the boarding stay will be charged at the time services are rendered.

Health Care Information
If, at any time during your pet's stay, a medical concern arises that does not require immediate attention, you will be contacted and advised of the situation, and we will follow your instructions. In the event of an emergency situation or injury that requires IMMEDIATE medical attention, we will make every attempt to contact you and your emergency contacts for instruction. If we are unable to reach you or your emergency contacts, we will proceed with the minimum necessary, life-preserving treatment at your cost. If you would like us to go ahead with the full treatment recommended by the doctor, please specify below:
Please provide the FULL treatment recommended by the doctor. I assume responsibility for all costs.
Please only provide life-saving treatment until I, or an emergency contact, can be reached for medical and financial consent. I assume responsibility for all charges until I, or an emergency contact, have been reached.
I understand that my pet will be treated for fleas/ticks at my expense if they are detected.
Feeding Instructions
Please list feeding instructions for your pet in the box below. We do ask that you bring your cat's regular food and have it portioned into individual bags or small containers for each meal. *Exceptions are made for wet food/homemade cat food and for extended stays/multiple cats. Please call the clinic and speak with boarding staff if you have any questions.*
If more than one pet is kenneled together, do your pets need to be fed separately?
Yes No I'm not boarding multiple pets together

Does your pet have any food restrictions/allergies?
Is your pet allowed to have treats provided by us? Yes No
Medication Instructions
Please list any current medications or supplements you will bring for your pet and the dose, frequency, and time given. Please also include how best to give your pet these medications (i.e., pil pocket, in wet food, etc.).
Routine medications are administered at no cost. Pet's requiring insulin are charged an additional fee per day. Pet's requiring special care (i.e., large quantities of medications, assistance from medical staff to administer medication, or medications at frequencies outside of the typical boarding schedule) may be charged an additional fee. Fees will be charged at the discretion of our staff. These fees will be discussed with you prior to payment. Please speak with boarding staff about pricing if you know your pet may require additional care during its stay.
Health Concerns
Does your pet have any health concerns or physical limitations/restrictions that we need to know about?

General Behavior & Training

How does your cat react to new people/new situations?
How does your cat handle visits to the veterinarian?
Has your cat ever boarded somewhere before? Yes No
Has a situation ever arisen that caused your cat to bite a person or another animal?
Yes No
If yes, please describe the situation below.
Does your cat have any reoccurring behaviors that we should know about? (i.e. urinating outside of the litter box, destructive chewing)

Are there any other special needs, comments, or other information about your cat that you feel might be helpful for us to know to ensure that your cat's experience is the best possible?
Liability/Release Statement
I am the legal owner of the above-mentioned pet. I certify that the information provided in this form is accurate to the best of my knowledge, and I have not withheld any information regarding our pet's/pets' health or behavior that could endanger our pet(s) or other pets or staff in the facility. Should any of this information change before a future boarding stay, I will notify Badger Veterinary Hospital.
Initial
I understand that there are inherent risks to bringing my pet(s) to a boarding facility. I agree that Badger Veterinary Hospital will not be liable for any claims of injury, illness, damage, or death to my pet during its stay and that under no circumstances will Badger Veterinary Hospital be liable for consequential damages. I agree that I am responsible for any harm caused by my pet while in the care of Badger Veterinary Hospital. I shall indemnify Badger Veterinary Hospital against any claims made against it or for losses or damages suffered by Badger Veterinary Hospital as a result of my pet. I understand that I will be responsible for any and all costs incurred during this and any future boarding stays.
